It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) (Ofsted 2019 p64) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education criteria](#) (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

Develop or add to the PESSPA activities that your school already offer

Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils’ PE and sport participation and attainment by the end of the summer term or by **31st July 2021** at the latest.

**** In the case of any under-spend from 2019/20 which has been carried over this must be used and published by **31st March 2021**.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Staynor Hall Community Primary Academy

Provision for PE at Staynor Hall Community Primary Academy is high quality and a key drive for school improvement. As a relatively new school, our provision is rapidly evolving and improving. We have, and continue to further develop, an innovative, varied PE curriculum. We couple this with a growing range of extra-curricular opportunities which combine to have a positive influence on the concentration, attitude and academic achievement of all our children. We want to provide opportunities for our pupils to become physically literate and confident in a way which supports their health and fitness as they move towards making their own choices as young adults. In addition we aim to provide opportunities for children to compete in sport and other activities in order to build character and help to embed values such as team work, fairness and respect.

We employ a Sports Coach who delivers PE lessons to all of our children throughout the week. He also works alongside our teaching team to coach and develop them as PE teachers. Our EYFS children also access high quality outdoor provision throughout the week to promote their physical development, focussing on both gross and fine motor skills

We are developing partnerships with a range of external providers within the local community to ensure we can target and make provision for the whole school in a range of extra-curricular activities. To further enhance opportunities for our children, we enter as many competitions as possible, allowing as many children as possible to apply their skills in a competitive context. We invest in the Selby School Sport Partnership Network, who work to facilitate a lot of these competitions but we also instigate fixtures and events with other local schools and we have now entered the ESFA football leagues and competitions. In addition to our sports coach, we have a passionate subject leader who is always seeking new opportunities for our pupils and a Senior Leadership Team who are passionate about the importance of an active lifestyle. With the funding available from the government, Staynor Hall Community Primary Academy sees this as an opportunity to build upon and create a legacy for ALL of its pupils. We plan on spending the money in a way which benefits all pupils and staff, not just now, but also in the future. We want to create the capacity to offer a sustainable programme of high quality physical education.

Over the last four years, the government has provided additional funding of £150 million per annum to improve provision of Physical Education (PE) and Sport in primary schools. During 2017/18, the funding has been doubled nationally, which means as a school, Staynor Hall Community Primary Academy is receiving **£17,760** for this academic year. This funding is ring-fenced and therefore can only be spent on the provision of PE and sport in schools. As a school, we must use the funding to make additional and sustainable improvements to the quality of PE and sport that we offer.

The funding has been provided to ensure impact against the following OBJECTIVE: To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (above) that will live on well beyond the Primary PE and Sport Premium funding

Please note: Although there has been considerable disruption in 2020 it is important that you publish details on your website of how you spend the funding - this is a legal requirement.

N.B. In this section you should refer to any adjustments you might have made due to Covid-19 and how these will influence further improvement.

Key achievements to date until July 2020:	Areas for further improvement and baseline evidence of need:
<p>Staynor Hall Community Primary Academy offers two PE lessons, from a broad and varied curriculum, to ALL pupils from EYFS to Year 6 each week.</p> <p>This year we received the Gold School Games Mark for our commitment to PE last year.</p> <p>Staynor Hall Community Primary Academy pupils represent the school in a number of level 2 competitions and events.</p> <p>Over the last couple of years Staynor Hall has represented Selby District in the Quadkids Level 3 North Yorkshire Games Finals. Last year we represented Selby District in the year 3/4 Quicksticks Hockey North Yorkshire Finals and also had two qualifiers for the Level 3 Cross Country competition.</p> <p>Staynor Hall continued to offer children PE and PA during lockdown. Weekly PE and PA lessons were sent out. We also delivered two virtual sports weeks to all children in the school to keep them active during lockdown. The virtual sports weeks also had cross curriculum links</p>	<p>Develop outdoor learning areas</p> <p>Increase physical activity options for children during play and lunch times. This includes new playground markings for the new Nursery area and for the main playground</p> <p>Reintroducing level 2 events back into school as and when guidance will allow us</p> <p>The reintroduction of after school clubs delivered by both staff members and external agencies.</p> <p>To continue to access a wider range of opportunities to all children in the school through PESSPA and continue to raise the profile of our PESSPA programme through school</p>

Children who have been selected as Sports Leaders will continue to engage children in positive activities at lunchtimes and break times throughout the week.	Children are continuously upskilled on games and activities by staff members to ensure the positive activities are engaging the children who are wanting to participate. This will be offered to all children at the school. Release time for staff to deliver training	£0	As a result of confident and knowledgeable delivery from Play Leaders all pupils, irrespective of any special needs or disabilities are given the opportunity to participate in positive sporting activities. The Sports leaders programme was affected by COVID this year and will be rolled out again next year.	All year 5 and 6 children will have the opportunity to apply, be interviewed and to be trained for the role as a playleader. (Children who are leaving year 6 to go to high school are to be replaced by the new year 5/6 children)
Staff to be upskilled to help improve their knowledge of healthy activities such as Active 30:30, wake up, shake up the daily mile and therefore meet the criteria set by the government of every child to participate in 30 minutes exercise everyday.	Staff to access a variety of 30 minute exercise options such as the golden mile.	£0	All children from KS1 and KS2 have been participating in the daily mile. A resource from Yorkshire Sport Foundation has been used and children have been traveling around the globe on their daily mile journey learning about facts from different countries. <i>'I really enjoy doing the daily mile. It wakes me up in the morning and</i>	The subject leader will work closely with staff to maintain activities that are continuously being logged and delivered to the children.

Throughout the academic year staff will be updating the school community by using different social media tools such as the school website, bloomz and twitter.	PE coach to monitor the social media outlets such as twitter and maintain they are constantly being updated. Funded release of staff so they can attend and support events. Staff will take an ipad to capture photos and evidence of the children when they are attending sporting events or tournaments. Staff will then follow up by leading feedback in whole school assemblies	£681.65	Four ipads and protective cases have been purchased (for different key stages) so evidence of PESSPA can be captured and shared with parents and the community on various social media outlets. The school website and social media outlets are updated when new sporting events or tournaments have been attended by the children. We have created are our own hashtag on twitter #staynorPE - check it out. This showcases everything PESSPA that we have been doing.	PE coach and staff members will continue to take evidence of children attending events/tournaments and showing good practice in PE and sport. This evidence will then be uploaded to social media outlets so the school community can view it.

This year we have continued our #healthselfie campaign on twitter. This was to help identify what families did in their own time during the holidays. This can help identify what activities are available in the community and help raise the awareness of this. We first rolled this out in February 2019 half term and had 100 tweets from families showcasing what they were up to

£108.70

This year we participated in the Brownlee Brothers Foundation Medal Challenge. Children had to think of their own active challenge such as joining a new sports club in the community or learn to do a new activity e.g a handstand. Once children had done their challenge

			<p>they had to send in a #healthselfie and they would then receive a medal. Overall over 100 children completed a challenge and were given a medal.</p>
