

NYCC Schools within Ebor Academy Admissions Policy 2023-24

Introduction

- 1 This policy applies to applications to the following schools within the primary admissions round, that is when applying for a place in Reception as the normal year of entry to start primary school for the first time:

Academy	Published Admission Number (PAN)
Filey Nursery and Infant School	76
Braeburn Primary Academy	60
Tadcaster Primary Academy	28
Brotherton and Byram Primary Academy	30
Staynor Hall CP Academy	45
Camblesforth CP Academy	17
Tockwith CE Primary Academy	30

- 2 The Published Admission Number is the number of pupils intended to be admitted into this year group.
- 3 This policy complies with and operates within the North Yorkshire County Council Coordinated Admissions Scheme for Primary and Infant Schools in the North Yorkshire Local Authority area. The admissions authority for NYCC schools within Ebor Academy Trust is the Ebor Academy Trust.
- 4 This policy does not apply to 'in-year' applications for a place. In-year admissions are those that are made either during the school year, or for admission into year groups other than the normal year of entry. Where applications for an in-year place are received, whether a place can be offered will depend upon the availability of places in the relevant class/year group. If there are more applications for a place than places available, then the oversubscription criteria as in Section B of this policy will be applied to ascertain which child is most entitled to a place.
- 5 The admission of children to a primary school is a completely separate process to nursery admissions. Attendance at a particular nursery class or early years provider does not give a child any priority within the admissions policy for admission to primary school, even if the school and nursery are located on the same premises or run by the school itself.

6 Advice and information for Parent/Carers on school admissions, including **key information that applies to all applications** as well as some frequently asked questions are available on the NYCC website.
<http://www.northyorks.gov.uk/article/23539/School-admissions>

7 The admission of children with an education and health care plan or a statement of special educational needs is covered by different admission regulations. Following negotiation, if an academy has been named, a place will be allocated for these children in the named academy before considering other applications.

A Admissions into Reception

1 Children will normally be admitted into the year group relevant to the child's age and will start full-time in the school year they turn five. All children will be offered the opportunity of a full time place from September in the year of entry.

2 This policy includes an option of 'delayed entry'. This means that Parent/Carers may secure a place at a school under the normal admission arrangements but choose to postpone their child's admission to school until later in the same academic year. This should be discussed with the Head Teacher. Parent/Carers will also be able to request a part-time place until the start of the term after the child turns five. It is a legal requirement that all children must enter formal full-time education at the start of the term after their fifth birthday.

3 Applications should be made by the closing date for applications which is 15th January 2023. Applications can be made online at <http://www.northyorks.gov.uk/article/23544/Apply-for-a-primary-school-place> There is no additional 'Supplementary Information Form' required to apply for a school place at academies within NYCC which are part of Ebor Academy Trust

4 When making an application, Parent/Carers are advised to supply any additional information that may be required to the admissions authority by providing this information in writing direct to the school. For example, additional information will need to be provided when applying on the basis of being 'previously looked after' or having exceptional medical or social needs which relate to the preferred school.

5 Any school's resources, such as teachers and classrooms, have to be used carefully to ensure the best possible standards for education and a safe environment. If no limit were set on the number of children that can go to a school each year these standards could not be maintained. Infant Class Size legislation may also limit in the number of pupils that can be admitted in the year of entry. For these reasons each school has a Published Admission Number – that is the number of places available that will be offered in the year of entry.

6 Applicants will be responsible for travel arrangements and the costs of travel to and from school.

7 Each school within NYCC which is part of Ebor Academy Trust maintains a catchment area. The North Yorkshire Local Authority advises applicants to consider their 'catchment' school when making an application. If the place your child is allocated is at a school which you are not in the catchment area for, or if you move out of the catchment area you now reside in, then you may have less chance of being successful when applying for any younger siblings.

B Oversubscription criteria

If the number of applicants exceeds the Published Admission Number, priority is given to certain categories of children. The oversubscription criteria set out below will be used to prioritise all applicants who have applied for a place at School Name in these circumstances in the following priority order:

Priority group one

Looked after children and all previously looked after children for whom the school has been expressed as a preference

This applies to all looked-after children, including those who are in the care of another local authority or being provided with accommodation by a local authority in the exercise of their social services function at the time of making an application.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangement order or special guardianship order. In the case of previously looked after children, a copy of the relevant documentation will be required in support of the application. This includes children who were adopted under the Adoption Act 1976 and children who were adopted under the Adopted & Children's Act 2002. Child Arrangements Orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a Child Arrangements Order.

Priority group two

Children who appear to the Admissions Authority to have been in state care outside of England and cease to be in state care as a result of being adopted.

A child is regarded as being in state care outside of England if they were accommodated by a public authority, a religious organisation or any another provider of care whose sole purpose is to benefit society.

Priority group three

Children the authority believes to have exceptional social or medical reasons for admission.

We will only consider applications on social or medical grounds if they are supported by a professional recommendation from a doctor, social worker or other appropriate professional. The supporting evidence should set out the particular social or medical reason(s) why the school in question is the most suitable school and the difficulties that would be caused if the child had to attend another school.

All supported applications will be assessed by a panel of qualified professionals. Unsupported applications will not be considered under this criterion.

Priority group four

Children living within the catchment area of the school.

If a school is oversubscribed priority will be given to those with a sibling at the school in September 2023 and then to those living nearest the school. In all cases 'sibling' refers to brother or sister, half-brother or half-sister, step-brother or step-sister or the child of a

parent/carer's partner where the child for whom the school place is sought is living in the same family unit and at the same address as the 'sibling'.

Priority group five

Children living outside the catchment area of the school.

If a school is oversubscribed priority will be given to those with a sibling at the school in September 2023 and then to those living nearest the school. In all cases 'sibling' refers to brother or sister, half-brother or half-sister, step-brother or step-sister or the child of a parent/carer's partner where the child for whom the school place is sought is living in the same family unit and at the same address as the 'sibling'.

Children in higher numbered priority groups will be offered places ahead of those in lower numbered priority groups. All applications within each priority group will be considered equally (i.e. all applications, regardless of order of preference).

C Appeals

- 1 Applicants refused a place at a school have the right of appeal. Appeals are heard by an independent appeals panel and their decisions are legally binding. See NYCC website for details on how to appeal. Applicants will only be able to appeal once for a place at a given school in any one school year, unless any significant new information is available which was not available at the original hearing.

D False Information

Where an offer of a place has been made on the basis of fraudulent or intentionally misleading information, which has effectively denied a place to a child with a stronger claim, the offer of a place will be withdrawn.

E Late Applications

- 1 Applications received after the closing date of 15 January 2023 may be treated as 'late' applications – that is processed after all 'on-time' applications.
- 2 Where possible, 'late' applications and changes of preference and/or circumstances will be treated as 'on-time' applications if:
 - a) this is accompanied by a satisfactory reason provided at the time of application; and
 - b) it can be accommodated within the timescales of the coordinated scheme and/or admissions authority's processes.
- 3 Late applications received after the offer day, but before the start of the school year will be processed using the same arrangements and criteria as 'on-time' applications, although the availability of places will depend on where places are still available as well as the preferences of applicants.
- 4 Late applications received after the first day of the school year will be considered as 'in-year' applications. However, these preferences, if unsuccessful, will be held on a waiting list until the end of the first term in line with 'on-time' applications as set out in Section F of this scheme.

F Waiting List

- 1 If a school is oversubscribed, a waiting list will be held from when offers have been made until 31 December 2023.
- 2 A child's position on the list will be determined by the oversubscription criteria set out in Section B of this policy and will reflect their current circumstances where these circumstances have been provided to the admissions authority.
