## A Message from Mrs Winter

Friday 9th September 2022

Welcome! It has been wonderful to see so many of our children return to school after the summer holidays. We also welcome a number of new children in Early Years and further up school, you have all had an incredible first week and all of the staff team are proud of how well you have settled.

This term we have a number of new staff joining us, Mrs Allanson is working in Tiny Steps, Miss Low is working in Team Esk, Mrs Wray is working in Reception, Mrs Tock is working across KS1, Miss Parker is working in Team Ouse, Mrs Fell is working in Team Foss and Mrs McMahon is supporting us at lunchtime. Please visit our website to see photographs of our whole staff team.

Please see the attached letter from Mr Willson regarding attendance.

Last year we had lots of feedback from parents about the way information is communicated. To ensure our communication to you is as supportive as possible we will now endeavour to send information out to you on a Friday morning. There will be times when we will need to send things out earlier in the week but whenever possible, it will be on a Friday. Please continue to feedback to us when you feel things are working well and also when you feel things might be better, your thoughts and ideas are very important to us.

# Messages from the Admin Team

A reminder that we are a nut free school.

We have children with a range of severe allergies and so to ensure we protect all children at all times we will take additional steps when it comes to milk and snack time.

Children in KS1 will have their milk and snack in one room together before washing their hands and going out to play. We thank you for your support with this.
