Staynor Hall News

A Message from Mrs Winter

Friday 16th September 2022

The week in school we have seen our children fully embrace themselves in their learning. They are settled into their new class teams and are building on their previous knowledge and skills to further develop their learning. This half term we will be launching our **Staynor Expedition**. All children will get a 'Staynor Passport' they will keep this throughout their time here with us and collect stamps in their passport everytime they participate in a new enrichment activity or experiential

The Friends of Staynor Hall Academy is very important to us and we are looking for new members! If you feel you can give a small amount of time to help our children throughout the year we would love to hear from you! We work together to have fundraising events to raise money which will be put back into supporting our children. We are going to be having **our first meeting of the year on Monday 26th September at 9.00 a.m.** and we would really value your support, whether you are a family who has been with us for a while or if you're new, you would be very welcome. Younger siblings are welcome.

A reminder that we are a nut free school.

We have children with a range of severe allergies and so to ensure we protect all children at all times we will take additional steps when it comes to milk and snack time. Children in KS1 will have their milk and snack in one room together before washing their hands and going out to play. We thank you for your support with this.

Parent Volunteers

We are always happy to invite parents into school to help in class, this may be to support with reading or assist on school trips. If this is something of interest, please email admin.shs@ebor.academy who will send a volunteer information pack out to you.

School Meals

There are a number of parents with children in EYFS and KS1 who are not booking meals - please can you make sure this is carried out so we can pass on the correct numbers to our catering team. Meals need to be booked via ParentPay by midnight on Thursdays.
