## A Message from Mrs Winter

Friday 23rd September 2022

We are delighted to be opening our school for current and prospective families next Saturday 1st October between 9:30-11:30am. We know how important it is for children to show their families what their classroom looks like and where they sit so we would love for you to come in and have a look around. We are also in the window for new applications for September 2023 so if you are aware of any children who are due to start school then, please pass on to their parents that they are more than welcome to come and visit us and have a look around.

We are immensely proud of our school and everything that our children are learning and achieving. We post updates regularly on Twitter to share the learning that is taking place, please follow us [@staynorHprimary](https://twitter.com/staynorHprimary) and like/comment on what you see.

Nominations are now starting to come in for the two parent governor vacancies on our School Governing Body.

Being a governor can be very rewarding and do not worry if you have no experience in education as full training and support is available through the Academy Trust.

Becoming a Parent Governor offers you the opportunity to make a real contribution to the life and work of our school. Governors play a key role in the leadership of the school and work together with the Headteacher, staff and other governors to ensure the school provides a good standard of education for our pupils.

If you would like to become a Governor or put forward the name of another parent who is willing to stand, please complete a nomination form which can be found in the family room situated to the left of the main foyer. You are allowed to propose yourself or get your partner to do so.

All nominations must be seconded by a parent of a pupil at the school, other than the candidate or the proposer.

The deadline for nominations is Friday 30th September.
