A Message from Mrs. Winter

Merry Christmas! The last two weeks have been so incredibly special in school. We have enjoyed the panto, parties, visits from Santa, a disco and three **INCREDIBLE** performances from our children.

We would like to thank all of our parents and carers for the support you have given us as a school over the last term. We never underestimate the importance of working together with you and the positive impact that then has on your children.

We would like to wish you all a peaceful Christmas and we look forward to seeing you on Tuesday 3rd January 2023!

With very best wishes
Mrs Winter

Ebor admissions consultation

All staff will receive an email today providing details of our statutory admissions consultation.

We are not proposing major changes to our policies but are legally obliged to consult once every seven years and when we are making changes to PAN. Generally, we align our policies as close as possible to the LA policies and oversubscription criteria. The policies are on the Ebor [website](#).

We are required to promote the consultation to all our parents and prospective parents. Can you please issue the attached [link](#) to your parents as a matter of urgency. Parents do not require hard copies of the letter, I would like them to be able to click the link to the website.

Note: North Yorkshire LA have added staff's children to their oversubscription criteria. We will not be reflecting this in our North Yorkshire school policies as we feel this would not be fair on our schools which are not part of North Yorkshire.

Our whole school attendance target is 97%
Last week our whole school attendance was: 92.59%
This week our whole school attendance is: 94.40%

Attendance update:

Tiny Steps - 90%
Team Esk - 91%
Team Swale - 96%
Team Nidd - 92%
Team Aire - 97%
Team Wharfe - 95%
Team Ouse - 93%
Team Derwent - 98%
Team Foss - 93%
Team Calder - 96%
Team Humber - 94%

SPORTING UPDATE from Mr. Jeff

ELFIE SELFIES

Healthy Selfies are back but this time with a little cheeky twist! It would be great to see a picture of how you are keeping healthy and active over the festive period. If you want to add in to the photo a cheeky elf then please do. This can be anything from walking with your family, playing for your local community club, trampolining, rollerblading, building a snowman (hopefully!) or playing football in your garden.

Please tweet our school a photo and a quick explanation of what you have been doing and help spread the festive cheer!

Example:

@staynorHprimary All the family going for a festive bike ride even with our little elf #healthyselfie

If you are unsure of how to use twitter on a computer/laptop or mobile device please follow this step by step guide - <https://www.wikihow.com/Make-a-Twitter-Account>

Mr Jeff

THANK YOU

With your support at the performances this year FOSHA have raised £280 from bucket donations and tea/coffee. Mince pie sales. That money will be used to support your children in school with resources, enrichment activities and visits.

It would be wonderful if you are a parent or carer who has a little bit of time every now and again to support us at events to ensure we can continue running, raising valuable money for the school.

If you have any questions or are able to offer support please contact our FOSHA Chair, Anna - Marie on fosh.chair@ebor.academy

Wraparound Bookings

For all wraparound bookings, billing queries or enquiries, please contact:

Free Online Parenting Workshop on Supporting a Child with Anxiety

The number of children and young people experiencing anxiety in the UK has increased over the last couple of years. It is a common emotional difficulty that can impact all areas of life, including homework and school. Parenting a child who feels high levels of anxiety or is 'worrier' can be hard and it can be difficult to know how best to respond.

Whilst unfortunately there are no 'magic solutions', deepening your understanding of anxiety, and support strategies that you can implement at home, can be hugely helpful.

What will be covered in the workshop?

Join two of our experienced child and young people therapists, for a free one-hour introductory workshop on understanding anxiety, how it can present in young children and people, and practically ways you can support your child.

How to book.

Email our children and young people team at cypstinfo@theretreatyork.org.uk or call 01904 412551 and we will send your further information and a link to join the workshop online.

At The Retreat Clinics, we are passionate about supporting young people and families to achieve their full potential and be mentally healthy.
