A Message from Mrs. Winter

Thank you to all of our parents who attended parents evening this week. We know how important it is for you to come into school and speak to class teachers and talk about your child's progress and development. If you were unable to make an appointment please do contact the school office so we can organise another meeting for you.

On Wednesday this week it was 'Young Carers Action Day'. Throughout the week children have had an assembly to learn about what a young carer might do and how they can be a support to their family. The purpose of the day is to raise public awareness of the challenges faced by young people because of their caring role, and to campaign for greater support for young carers and their needs. We saw such compassion from our children when talking about this and we talked a lot about how children who are young carers might need additional support themselves. If you would like to find more information about young carers support within our community please go onto this website
<https://youngcarersresource.org/harrogate/>

We hope the children have enjoyed their extra day off this week and look forward to seeing them all back in school on Monday.

With very best wishes
Mrs Winter

Team Ouse -	94.83%		
Team Derwent -	94.58%		
Team Foss -	92.50%		

Staynor Hall News

Friday 17th March 2023

Due to our growing school, and the capacity of the school hall, we will hold two Easter Assemblies:

Assembly 1: 2.00 p.m. - 2.30 p.m.: KS2 (Derwent, Foss, Calder & Humber)

Assembly 2: 2.30 p.m. - 3.00 p.m.: Reception & KS1 (Nidd, Swale, Aire, Wharfe, Ouse)

Collection of children after the assemblies

For parents who do not have children in Assembly 2, your child will return to class to collect their belongings and you are welcome to collect them from the playground when they are ready (this may be a little earlier than the usual finish time).

If you have a child in both assemblies, once the first assembly has finished, your older child will return to class so you can stay to watch the second performance and you will collect your children from their classroom in the usual way when Assembly 2 has finished.

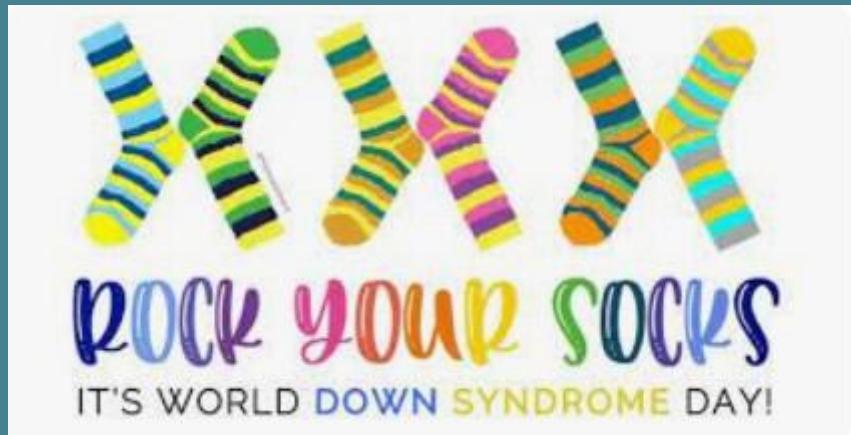

Organisation of Easter Bonnets

Please can you ensure your Easter Bonnets are brought into school on the morning of 31st March. Once in class, children will take them to the hall so they can be displayed and judged for the competition. Children will collect their bonnets before lunch, ready to wear in their respective parades.

We look forward to seeing as many of you as possible.

Down Syndrome is a condition in which a person has an extra chromosome. 1 in 800 children are born with Down Syndrome. As many of you may know Jonah in team Swale has Down Syndrome and we would love to raise awareness of his condition. Jonah is very well-loved throughout school and it is important for everyone to have an awareness of what Down Syndrome is.

World Down Syndrome day is celebrated on the 21st of March each year. This is because it highlights the uniqueness of the 21st chromosome being split into 3 (trisomy). The day supports individuals in having their own voice and enabling them to be included.

To raise awareness of Down Syndrome people wear odd socks on World Down Syndrome day and to show your support, we encourage you to send your children to school with odd socks on the 21st of March.

Flying Futures is partnering with our school to deliver their HAF provision (Holiday, Activity & Food). HAF is a fully funded activity programme which will provide children with healthy meals and snacks, as well as themed activities throughout the week. Your child will get to take part in a mixture of multi sports, activities, arts & crafts, team challenges, cooking, community challenges and more.

Their upcoming Easter programme is free to attend and it will run on 11th to 14th April from 10.00 a.m. until 2.00 p.m. and take place at our school. Your child does not need to attend every day, they can opt to attend just one day if they wish.

The provision is available to pupils aged 5-11 years old at Staynor Hall who receive pupil premium. You will receive a unique code through the school which you will need to provide to them to enable you to book and attend this provision. If your child does not access pupil premium, they are still able to attend this programme at a cost of £10.00 per child, per day.

Flying Futures are delivering this as a 3rd party so all communication and queries will be dealt with directly by them.

You can sign up by completing their consent form on their website at <https://flyingfutures.org/camps/camp-selby/> the deadline for bookings is Tuesday 28th March.

For any questions, please contact bookings@flyingfutures.org
