

Staynor Hall Reading spine

Within this document there are two reading spines which we use at Staynor Hall Community Primary to support the teaching and learning of reading and writing.

o EYFS Reading Rainbow

The reading rainbow is a program developed to ensure the children are exposed to a variety of texts throughout their time in EYFS at Staynor Hall. The texts will expose the children to a range of different cultures. The children will develop a love of reading and be able to retell stories. The children will develop their listening and speaking skills through these sessions.

o Read Aloud Reading Spine

We would like all children to develop a love of reading and understand which books they enjoy and why. There is a reading spine for Year 1, Year 2, Year 3, Year 4, Year 5 and Year 6. Within each spine there is a large collection of books which aim to provide depth and breadth to the children's reading.

o Class topic novels and Inspiring texts

Within our reading spine we have included books to support the development of background knowledge and provide additional reading linked to our curriculum. There is a spine for each year group. These are recommendations which will enrich the teaching of the topic. These books will support the teaching of specific subject areas, whole class reading or they can be accessed independently by the children.

Staynor Hall Tiny Steps Reading Rainbow

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2

Read Aloud Reading Spine

The read aloud reading spine - fiction books was developed from Doug Lemov's work "Reading Reconsidered". In his book, he points out that there are five types of texts that children should have access to in order to successfully navigate reading with confidence. The idea is that in each year, a child will cover all 5 plagues of reading so that, by the time they reach year 6 and beyond, they have a good understanding of all of them and are able to access more complex books expected of them in secondary schools. The 5 plagues of reading are: Archaic, Non-linear, Narratively complex, Symbolic/figurative and resistant. At Staynour Hall we have also added an additional category of diverse texts, which feature characters which are traditionally underrepresented in children's books. They also these reflect and celebrate a wide range of heritages and they include a range of captivating and inclusive stories by creators of colour. We have also included non-fiction texts that are linked to background knowledge and provide additional reading opportunities.

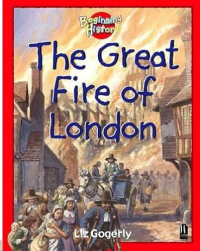

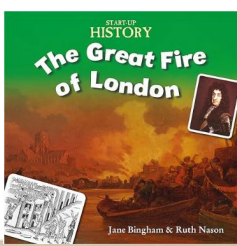

Books which reflect and celebrate a wide range of heritages and feature characters that are traditionally underrepresented

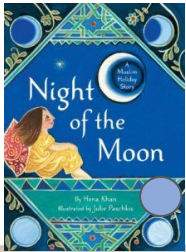

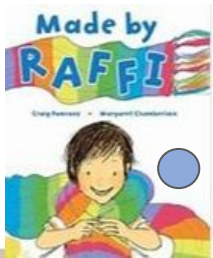

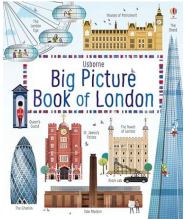

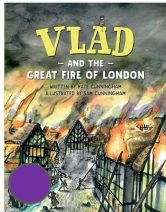

Year A KS1

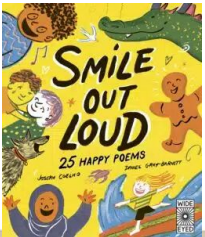

Year 1 and Year 2-What happened in the Great fire of London?
